

How to join ETN Donate

Getting set up is easy...

Step 1

Set up your ETN wallet

- Register at <https://my.electroneum.com/register>
- Or, download the app from Android play store or iSO app store to register.
- Follow the simple instructions to set up your walletTip!

Tip!

- Please use an email address that is associated to the charity/NGO
- When you reach a value of 150 euros in 3 months, you will need to complete KYC, read more [here](#).

Step 2

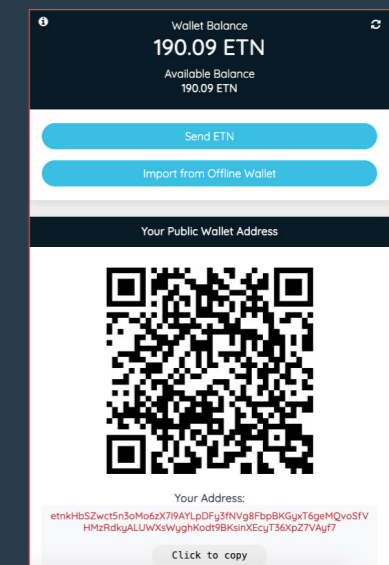

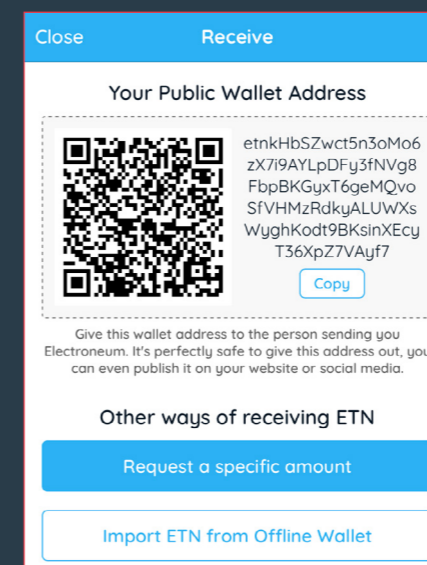

Complete your application form on ETN Donate website

Apply to become an NGO/Charity on ETN Donate, by filling in this [application form](#).

Tip!

Before you get started, make sure you have the following:

- 3-5 images of your charity to support your profile
- Your charity logo
- ETN wallet address

To find your ETN wallet address within the mobile app:

>Select **Wallet**

> **Receive**

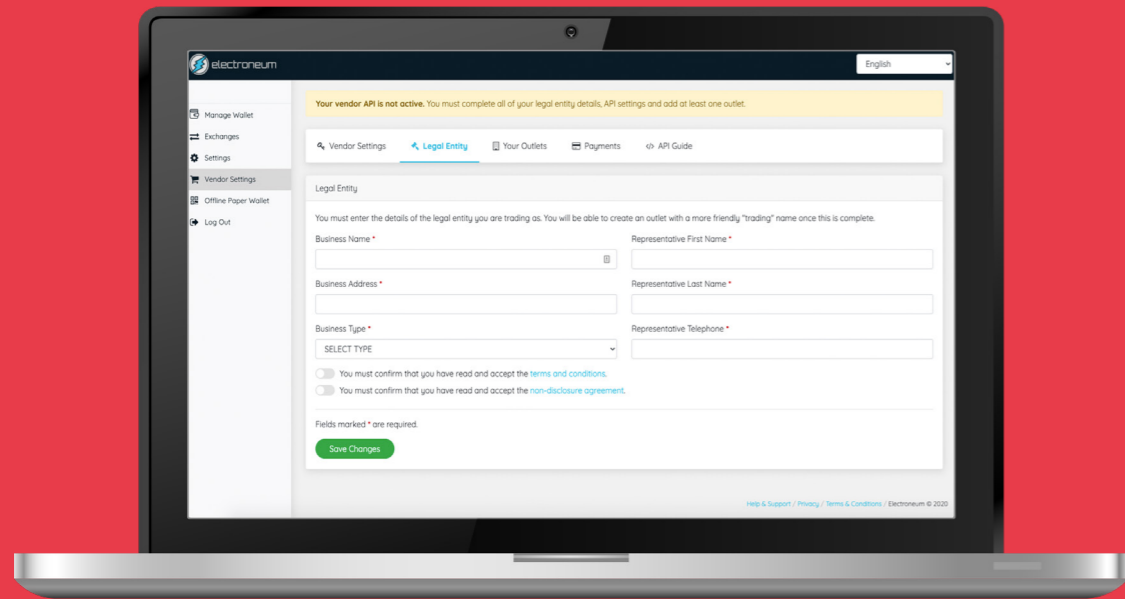

> **Copy** your public wallet address, this will be the long address full of numbers and letters underneath your QR code

To find you ETN wallet address using a desktop computer:

Login to <https://my.electroneum.com/login>

> Once logged in, you will find your ETN public wallet address on the right hand-side

Step 3

Set up as a vendor

To enable us to send donations directly from ETN Donate to your ETN Wallet address, we will need you to complete the following:

- Login [here](#) using a desktop
- Select **Vendor settings** from the main-menu on the left hand
- Enable BETA Access
- You will need to complete all fields required for both sections "Legal Entity" and "Your Outlets"

Next steps

We will email to confirm your eligibility to feature on ETN Donate.

If you are in need of any help at any point through-out this process, please [send us a message](#).
